

# Check your answers flow – about your health

The flowchart illustrates the 'Check your answers' process for 'about your health' on the GOV.UK PIP application website. The process consists of four main steps:

- Remove:** The first step, indicated by a grey arrow pointing right, showing the 'Remove' button next to each condition listed on the 'Check your answers: about your health' page.
- Change:** The second step, indicated by a grey arrow pointing right, showing the 'Change' button.
- Edit:** The third step, indicated by a grey arrow pointing right, showing the 'Edit' button.
- Add something:** The final step, indicated by a grey arrow pointing right, showing the 'Save and continue' button.

Each step is accompanied by a screenshot of the PIP application interface, showing the 'Check your answers: about your health' page with various conditions listed, including 'Kidney failure', 'Epilepsy', and 'Depression'. The 'Remove' step shows a 'Remove' button next to each condition. The 'Change' step shows a 'Change' button. The 'Edit' step shows an 'Edit' button. The 'Add something' step shows a 'Save and continue' button.
